Re: [REDACTED] - PO/PCD-1037

25X1A9a Dear [REDACTED]

The claim in the captioned ^{25X1A5a1} matter has been referred to this office for attention by [REDACTED] Company.

We have checked the matter thoroughly and find that the crating was done in accordance with Government requirements. It is apparent that the damage is caused in transit and it is suggested that claim be filed against the carrier.

Yours very truly,

R. R. Runkles
